Trust House Foundation

Statement of service performance

Who we are

Trust House Foundation was incorporated on 22 September 2010. The Foundation was established primarily for charitable purposes. It distributes gaming machine profits back to community organisations that fall within the definition of authorised purposes as defined in the Gambling Act 2003.

It must comply with the terms of the Trust Deed.

The Foundation has 7 trustees that meet 6 times a year to consider and make grant decisions.

Objects and Purposes - Why we exist

The objects and purposes of the Foundation are:

- (1) to promote and provide for the relief of poverty, the advancement of religion, the advancement of education, and any other matters beneficial to the community (including facilities for recreation or other leisure-time occupation if those facilities are provided in the interests of social welfare);
- (2) to promote and provide for amateur games or sports which are conducted for the recreation or entertainment of the general public; and
- (3) to promote and provide for any authorised purpose.

Performance Targets

The following performance targets are aligned to the regulatory environment in which the Foundation operates. Meeting these targets are important to maintain registration as a Class IV gaming operator. To meet our objectives we target to make charitable distribution to all sectors (achieving target is reliant on compliant applications and priority as determined by Trustees).

Measures	2024 Target	2024 Actual	2023 Target	2023 Actual
Percentage of net profit before donations distributed	Greater than 40%	46.4%	Greater than 40%	45.2%
Ratio of Current Assets to Current Liabilities	Less than 1.5:1	1.51:1	Less than 1.5:1	1.37:1
Funding is provided to all categories:				
Arts	>5% of grants	9% (\$0.5m)	>5% of grants	8% (\$0.4m)
Community	>5% of grants	22% (\$1.1m)	>5% of grants	22% (\$1.1m)
Education	>5% of grants	14% (\$0.7m)	>5% of grants	16% (\$0.8 m)
Health	>5% of grants	25% (\$1.2m)	>5% of grants	24% (\$1.2m)
Recreation and Sport	>5% of grants	30% (\$1.5m)	>5% of grants	30% (\$1.5m)

While the 2024 target of current assets to current liabilities has been exceeded, the current assets included \$243k from the sale of assets to Pelorus Trust. DIA confirm this amount is not included when assessing the ratio meaning an adjusted ratio is 1.33:1.

Statement of service performance (continued)

Disclosure of Judgements

We have made several judgements on what to include in our Statement of Service Performance. This statement summarises these judgements.

Our Statement of Service Performance reports our non-financial performance against our Mission Statement/Purpose & Objectives. Our statement uses indicators that measure our grant funding and that illustrates the impact our services have for the communities we provide grant funding. These outcomes are what enable us to achieve our purpose and objectives.

As this is our first year of preparing a Statement of Service Performance, we have focused on ensuring we have some baseline measures to compare against past years.

Statement of Accounting Policies

1 REPORTING ENTITY

The Foundation is a Charitable Trust incorporated and domiciled in New Zealand. The address of its registered office is 4 Queen Street, Masterton.

These financial statements have been prepared in accordance with the Trust Deed of the Trust House Foundation and the Gambling Act 2003.

Trust House Foundation runs a number of class IV gaming venues and distributes profits by way of charitable donations.

2 BASIS OF PREPARATION

(a) Statement of Compliance

Effective from 1 April 2023, the entity has transitioned from preparing its financial statements under New Zealand International Financial Reporting Standards (NZ IFRS) to Public Benefit Entity International Public Sector Accounting Standards (PBE IPSAS) regime. The change has occurred with the focus on the charitable reporting of the Foundation and the IPSAS standards better align with the objectives of the organisation. The entity believes that PBE IPSAS provides more relevant and reliable information to its users, reflecting the entity's public benefit objectives more accurately.

Under the Accounting Standards Framework, the Foundation has determined that it is a 'tier two' entity, as the Foundation has expenses less than \$30 million.

Management has assessed the impact of the transition to PBE IPSAS and determined that the change has not resulted in any material adjustments to the amounts previoulsy reported under NZ IFRS. As a result of the transition from NZ IFRS to PBE IPSAS, no material adjustments were required to the previoulsy reported amounts for equity and surplus/deficit. Therefore, a reconciliation of equity and surplus/deficit for the comparative period has not been presented.

The financial statements of Trust House Foundation for the year ended 31 March 2024 were approved by the Trustees on 26 June 2024.

(b) Measurement base

The financial statements have been prepared on the historical cost basis.

(c) Functional and presentation currency

These financial statements are presented in New Zealand dollars, which is the Foundation's functional currency. All financial information presented in New Zealand dollars has been rounded to the nearest dollar.

(d) Measurement uncertainty

The preparation of financial statements requires management to make judgements, estimates and assumptions that affect the application of accounting policies and the reported amounts of assets, liabilities, income and expenses. Actual results may differ from these estimates.

Estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised and in any future periods affected. The Foundation does not believe there are significant risks in relation to these estimates or assumptions.

3 SIGNIFICANT ACCOUNTING POLICIES

The accounting policies set out below have been applied consistently to all periods in these financial statements.

Financial instruments

Financial assets and financial liabilities are recognised when the Foundation becomes a party to the contractual provisions of the financial instrument.

3 SIGNIFICANT ACCOUNTING POLICIES (continued)

The Foundation derecognises a financial asset or, where applicable, a part of a financial asset or part of a group of similar financial assets when the rights to receive cash flows from the asset have expired or are waived, or Trust House Foundation has transferred its rights to receive cash flows from the asset or has assumed an obligation to pay the received cash flows in full without material delay to a third party and Trust House Foundation has either:

- *transferred substantially all the risks and rewards of the asset, or
- •neither transferred nor retained substantially all the risks and rewards of the asset, but has transferred control of the asset.

Non-derivative financial instruments

Non-derivative financial instruments comprise trade and other receivables and trade and other payables.

Non-derivative financial instruments are recognised initially at fair value plus, for instruments not at fair value through surplus or deficit, any directly attributable transaction costs. Subsequent to initial recognition non-derivative financial instruments are measured as described below for receivables and trade and other payables. A financial instrument is recognised if the Foundation becomes a party to the contractual provisions of the instrument. Financial assets are derecognised if the Foundation's contractual rights to the cash flows from the financial assets expireor if the Foundation transfers the financial asset to another party without retaining control or substantially all risks andrewards of the asset. Regular purchases and sales of financial assets are accounted for at trade date, i.e., the date that the Foundation commits itself to purchase or sell the asset. Financial liabilities are derecognised if the Foundation's obligations specified in the contract expire or are discharged or cancelled.

Financial Assets

Financial assets within the scope of the PBE IPSAS 41 Financial Instruments: Recognition and Measurement are classified as financial assets at fair value through surplus or deficit, fair value through other comprehensive revenue and expenses or amortised costs. The classification of the financial assets is determined at initial recognition.

Trust House Foundation's financial assets are classified as financial assets at amortised costs.

Financial assets at amortised costs

Financial assets at amortised costs are non-derivative financial assets with fixed or determinable payments that are not quoted in an active market. They arise when Trust House Foundation provides money, goods or services directly to a debtor with no intention of selling the receivable. Financial assets at amortised costs are initially measured at fair value plus directly attributable transaction costs and are subsequently measured at amortised cost using the effective interest method, less any impairment losses.

Financial assets under this category include: cash and cash equivalents and prepayments.

Impairment of financial assets

At the end of each reporting date Trust House Foundation assesses whether there is objective evidence that a financial asset or a group of financial assets is impaired. A financial asset or a group of financial assets is impaired and impairment losses are incurred if there is objective evidence of impairment as a result of one or more events that occurred after the initial recognition of the asset ("loss event") and the loss event has an impact on the estimated future cash flows of the financial asset or the group of financial assets that can be reliably estimated.

Trust House Foundation first assesses whether there is objective evidence of an impairment of individually significant financial assets. If it is determined that there is no objective evidence of impairment of an individually assessed financial asset, it includes the asset in a group of financial assets with similar credit risk characteristics and assesses them collectively for impairment.

If, in a subsequent period, the amount of the impairment loss decreases and the decrease can be related objectively to an event occurring after the impairment was recognised, the previously recognised impairment loss is reversed by adjusting the allowance account.

Cash and cash equivalents

Cash and cash equivalents comprise cash balances and call deposits. Bank overdrafts that are repayable on demand and form an integral part of the Foundation's cash management are included as a component of cash and cash equivalents for the purpose of the statement of cash flows.

3 SIGNIFICANT ACCOUNTING POLICIES (continued)

Receivables

Trade and other receivables are stated at their cost less impairment losses.

Trade and other payables

Trade and other payables are initially measured at fair value.

Charitable distributions allocated

Charitable distributions allocated are recognised when grants are approved.

Charitable distributions allocated are initially measured at fair value.

Plant and equipment

Recognition and measurement

Plant and equipment consists of gaming machines and other related equipment. Plant and equipment is shown at cost, less accumulated depreciation and impairment losses.

Depreciation

Depreciation is calculated on a straight-line basis on all plant and equipment assets at a rate which will write off the cost of the assets to their estimated residual value over their useful lives. The depreciation rates for plant and equipment is 25% per annum as recommended by the Department for Internal Affairs that regulates Class IV Gaming.

Intangible assets

Intangible assets comprise of software acquired by the Foundation. Intangible assets acquired by the Foundation which have finite lives are measured at cost less accumulated amortisation and accumulated impairment losses. The amortisation rate for intangible assets is 25%, calculated on a straight-line basis, as recommended by the Department of Internal Affairs that regulates Class IV gaming.

Impairment

The carrying amounts of the Foundation's assets are reviewed at each balance sheet date to determine whether there is any objective evidence of impairment. An impairment loss is recognised whenever the carrying amount of an asset exceeds its recoverable amount. Impairment losses directly reduce the carrying amount of assets and are recognised in the Statement of comprehensive revenue and expenses.

Leases

The Foundation has leases with variable payments in relation to payments to the venue operators where Class IV gaming is conducted. As the leases have variable payments, no right of use asset nor lease liability is recognised in the Statement of Financial Position. The lease is expensed as incurred and shown as site rentals in the operating expenses. The site rental payments are for leasing the gaming room area and for services provided by the venue operator. The Foundation has elected to classify all of the site rental payments as a lease under the practical expedient available in PBE IPSAS 13.

Revenue

Gaming machine income

Revenue from gaming operations is measured at the fair value of the consideration received or receivable. Revenue is recognised when recovery of the consideration is probable.

3 SIGNIFICANT ACCOUNTING POLICIES (continued)

Tax

The Trust House Foundation is exempt from Income Tax.

Goods and services tax

These accounts are prepared on a GST exclusive basis with the exception of Trade Creditors and Capital Payables, which are stated on a GST inclusive basis. Where GST is irrecoverable as an input tax, then it is recognised as part of the related asset or expense.

The amount of GST owing to or from the Inland Revenue Department at balance date, being the difference between Output GST and Input GST, is included in Receivable or Trade and other payables (as appropriate). The net GST paid or received from the IRD including the GST relating to investing and financial activities, is classified as an operating cash flow in the Cash Flow Statement.

Charitable donations

Charitable donations are recognised when approval is given.

Borrowings

Long term debt is recognized initially at fair value, net of transaction costs incurred.

Borrowings are classified as current liabilities unless the group has an unconditional right to defer settlement of the liability for at least 12 months after the balance sheet date.

Borrowing costs

Borrowing costs are recognised as an expense in the period in which they are incurred. Interest on qualifying assets is capitalised to the asset.

4 REVENUE FROM EXCHANGE TRANSACTIONS

	2024 \$	2023 \$
Revenue from contracts with customers Revenue from other sources Total revenue	10,466,635 <u>144,570</u> <u>10,611,205</u>	11,138,571 511 11,139,082

Disaggregation of revenue from contracts with customers

The group derives revenue from the transfer of goods and services over time and at a point in time in the following major product lines in the lower North Island:

2024	Revenue recognised at a point in time \$	Revenue recognised over time \$	Total \$
Gaming operations: Gross machine profits Total	10,466,635 10,466,635		10,466,635 10,466,635
	Revenue recognised at a point in time \$	Revenue recognised over time \$	Total \$
2023	·	·	•
Gaming operations: Gross machine profits Total	<u>11,138,571</u> <u>11,138,571</u>		11,138,571 11,138,571

The performance obligation for gaming operations is satisfied at a point in time as payment is made at the time the service is rendered. There are no variable considerations, right of return, refunds, warranties or other related obligations.

There are no services provided where revenue is recognised over time.

5 OPERATING EXPENSES

	2024	2023

11 FINANCIAL INSTRUMENTS

Classification and fair value

The carrying amount of financial instruments approximates their fair value.

Liquidity risk

Exposure to liquidity risk arises in the normal course of the Foundation's business.

Liquidity risk represents the Foundation's ability to meet its contractual obligations. The Foundation evaluates its liquidity requirements on an ongoing basis. In general, the Foundation generates sufficient cash flows from its operating activities to meet its obligations arising from its financial liabilities and has credit lines in place to cover potential shortfalls.

The following table sets out the contractual cash flows for all financial liabilities.

Other risks

The Foundation is not exposed to other substantial risk in relation to credit risk, market risk or interest rate risk.

12 months or less	1 - 2 years	2 - 5 years	More than 5 years	Contractual cash flows	Carrying amount liabilities
119.340	-	7=	-	119,340	119,340

14 LEASES

The Foundation does not have any term commitment in relation to leases. It did however pay, in a manner prescribed by the Department of Internal Affairs, site rentals for the gaming in the Trust House Limited, Rimutaka Licensing Trust and other independent venue operators premises where its gaming machines are located. Details of these payments are in Notes 5 and 16.

The payments for site rentals are entirely variable and the maximum payment is the lessor of 1.28% of Gaming Turnover (before payouts) or 16% of Gross Machine Profits (revenue) for each venue. Lease payments will therefore vary in direct proportion to revenue. These payments are the maximum allowed under the Class IV gaming regulations. These lease payments are presented in operating activities in the statement of cash flows.

15 CONTINGENT LIABILITIES AND COMMITMENTS

The Trust House Foundation has no contingent liabilities or commitments as at 31 March 2024 (2023: Nil).

16 RELATED PARTY TRANSACTIONS

Parent and ultimate controlling party

The Foundation is considered to be a controlled entity of Trust House Limited. The ultimate controlling party is the Masterton Community Trust.

(a) Trust House Limited

- (i) The Trust House Foundation is an independent Charitable Trust. Three Trustees of the Trust House Foundation are also Directors of Trust House Limited.
- (ii) Trust House Limited is also responsible for administering the Foundation. Site rental payments between this Foundation and Trust House Limited are carried out on a commercial and arms-length basis.
- (iii) The Trust House Foundation paid \$500,000 for management fees to Trust House Limited in 2023/24 (2022/23: \$400.000).
- (iv) In 2023/24 the Trust House Foundation paid site rentals of \$1,309,422 to Trust House Limited (2022/23: \$1,373,641).
- (v) In March 2021 Trust House Foundation borrowed \$600,000 from Trust House Limited. The funds were primarily used to purchase gaming machines and equipment for a new venue that the Foundation gained. For detailed terms and conditions of the loan please refer to Note 10.
- (vi) As at 31 March 2024, Trust House Foundation owed Trust House Limited \$25,478 (2022/23: \$179,456).

(b) Rimutaka Licensing Trust / Rimutaka Trust

- (i) One Trustee from the Rimutaka Licensing Trust is also a Trustee of the Trust House Foundation.
- (ii) In 2023/24 the Trust House Foundation paid site rentals of \$96,461 to the Rimutaka Licensing Trust (2022/23: \$99,267).
- (iii) As at 31 March 2024, the Trust House Foundation owed the Rimutaka Licensing Trust \$1,296 (2022/23:\$2,452).

(c) Masterton Community Trust

(i) Four Trustees from the Masterton Community Trust are also Trustees of the Trust House Foundation.

(d) Transactions with key management personnel

The terms and conditions of these transactions were no more favourable than those available, or which might reasonably be expected to be available, on similar transactions to non-key management personnel related entities on an arm's length basis.

Lucy Griffiths, a Trustee of Trust House Foundation, is the spouse of a major shareholder in Technology Solutions which provides technology services and hardware to Trust House Foundation. During the year Trust House Foundation paid Technology Solutions \$41,115 (2022/23: \$30,138). The amount outstanding at year end was \$207 (2023: \$0).

16 RELATED PARTY TRANSACTIONS (continued)

Key management personnel compensation

The Trustees of the Foundation are not remunerated for their work on the Trust House Foundation board, they are remunerated for their work on regional net proceeds committees and the amount of fees paid for this are shown below.

	2024 \$	2023 \$
Mena Antonio Litea Ah-Hoi Tom Jones Jaistone Finau Karl Taucher Lucy Griffiths Jock Kershaw Bert Lincoln Rebecca Johnson Leanne Southey	6,000 - 8,000 15,480 8,000 15,480 - 8,000	6,790 13,400 8,000 10,740 8,000 14,690 3,500 8,000 6,000
	66,960	79,120

Fees paid to members of the regional net proceeds and advisory committees who are not Foundation board members in 2023/24 \$48,150 (2022/23 \$45,181). Comparative information may differ from previously audited financial statements due to the appointment of Trustees during the financial year and the inclusion of their prior year related party transactions in comparative costs

17 CAPITAL MANAGEMENT

The Foundation's capital includes retained earnings. Equity is represented by net assets. The Foundation manages its revenues, expenses, assets, liabilities and general financial dealings prudently. The Foundation equity is largely managed as a by-product of managing revenue, expenses, assets and liabilities.

18 RETAINED EARNINGS

Gaming machine proceeds are generated in the premises of Trust House Limited, Rimutaka Licensing Trust and other independent operators. Trust House Foundation has established regional net proceeds committees in Masterton, Rimutaka, Flaxmere and Porirua. Regional net proceeds committees consider grant applications from their area and make recommendations to the Trust House Foundation board. The Trust House Foundation board considers these recommendations and may or may not approve them.

There have been no subsequent events between the date of the financial statements and the date of the auditors report.

Independent Auditor's Report

Grant Thornton New Zealand Audit Limited L15, Grant Thornton House 215 Lambton Quay PO Box 10712 Wellington 6140 T +64 4 474 8500

www.grantthornton.co.nz

To the Board of Trustees of Trust House Foundation

The Auditor-General is the auditor of Trust House Foundation (the Foundation). The Auditor-General has appointed me, Brent Kennerley, using the staff and resources of Grant Thornton, to carry out the audit of the Foundation's annual report on the conduct of class 4 gambling for the year ended 31 March 2024, on his behalf.

Opinion

We have audited the annual report on the conduct of class 4 gambling that comprises:

- the itemised statement of the application or distribution of net proceeds from class 4 gambling for authorised purposes for the year ended 31 March 2024 of the Foundation on pages 2 to 5 and 8 to 27: and
- the statement of financial position as at 31 March 2024, statement of comprehensive income; statement of changes in net assets/equity and statement of cash flows for the year ended on that date, and the notes to the financial statements that include accounting policies and other explanatory information.
- the performance information which report against the Foundation's statement of performance expectations for the year ended 31 March 2024 on pages 6 to 7.

In our opinion the Foundation's:

- itemised statement of the application or distribution of net proceeds from class 4 gambling for authorised purposes is prepared, in all material respects in accordance with the requirements of the Gambling Act 2003; and
- financial statements:
 - present fairly, in all material respects:
 - its financial position as at 31 March 2023; and
 - its financial performance and cash flows for the year then ended; and
 - comply with generally accepted accounting practice in New Zealand in accordance with New Zealand
 International Public Sector Accounting Standards
- the Foundation's performance information for the year then ended 31 March 2024:
 - present fairly, in all material respects;
 - its standards of delivery performance achieved as compared with forecasts included in the statement of service performance expectations for the financial year; and
 - its actual revenue and output expenses as compared with the forecasts included in the statement of performance expectations for the financial year;
 - complies with generally accepted accounting practice in New Zealand

Our audit was completed on 27 June 2024. This is the date at which our opinion is expressed.

The basis for our opinion is explained below. In addition, we outline the responsibilities of the Board of Trustees and our responsibilities relating to the annual report on the conduct of class 4 gambling, and we explain our independence.

Basis for our opinion

We carried out our audit in accordance with the Auditor-General's Auditing Standards, which incorporate the Professional and Ethical Standards and the International Standards on Auditing (New Zealand) issued by the New Zealand Auditing and Assurance Standards Board. Our responsibilities under those standards are further described in the Responsibilities of the auditor for the audit of the annual report on the conduct of class 4 gambling section of our report.

We have fulfilled our responsibilities in accordance with the Auditor-General's Auditing Standards. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Responsibilities of the Trustees for the annual report on the conduct of class 4 gambling

The Trustees are responsible for preparing an annual report on the conduct of class 4 gambling by the Foundation. The annual report is required to include:

- an itemised statement of application or distribution of net proceeds from class 4 gambling for authorised purposes that is fairly presented: and
- financial statements and performance information that are fairly presented and that comply with generally accepted
 accounting practice in New Zealand.

The Trustees are responsible, on behalf of the Foundation for such internal control as they determine is necessary to enable them to prepare the annual report on the conduct of class 4 gambling that is free from material misstatement, whether due to fraud or error.

In preparing the annual report on the conduct of class 4 gambling, the Trustees are responsible, on behalf of the Foundation for assessing the Foundation's ability to continue as a going concern. The Trustees are also responsible for disclosing, as applicable, matters related to going concern and using the going concern basis of accounting, unless the Trustees intend to liquidate the Foundation or to cease operations or has no realistic alternative but to do so.

The Trustees' responsibilities arise from the Gambling Act 2003.

Responsibilities of the auditor for the audit of the annual report on the conduct of class 4 gambling

Our objectives are to obtain reasonable assurance about whether the annual report on the conduct of class 4 gambling, as a whole, is free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion.

Reasonable assurance is a high level of assurance but is not a guarantee that an audit carried out in accordance with the Auditor-General's Auditing Standards will always detect a material misstatement when it exists. Misstatements are differences or omissions of amounts or disclosures and can arise from fraud or error. Misstatements are considered material if, individually or in the aggregate, they could reasonably be expected to influence the decisions of readers, taken on the basis of this annual report on the conduct of class 4 gambling.

We did not evaluate the security and controls over the electronic publication of the annual report on the conduct of class 4 gambling.

As part of an audit in accordance with the Auditor-General's Auditing Standards, we exercise professional judgement and maintain professional scepticism throughout the audit. Also:

• We identify and assess the risks of material misstatement of the annual report on the conduct of class 4 gambling, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

- We obtain an understanding of internal control relevant to the audit in order to design audit procedures that are
- appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Foundation's internal control.
- We evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the Trustees.
- We conclude on the appropriateness of the use of the going concern basis of accounting by the Trustees and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Foundation's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the annual report on the conduct of class 4 gambling or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Foundation to cease to continue as a going concern.
- We evaluate the overall presentation, structure, and content of the annual report on the conduct of class 4 gambling, including the disclosures, and whether the annual report on the conduct of class 4 gambling represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with the Trustees regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

Our responsibilities arise from the Public Audit Act 2001.

Independence

We are independent of the Foundation in accordance with the independence requirements of the Auditor-General's Auditing Standards, which incorporate the independence requirements of Professional and Ethical Standard 1: International Code of Ethics for Assurance Practitioners issued by the New Zealand Auditing and Assurance Standards Board.

In addition to the audit, we have carried out an agreed upon procedures engagement in respect of the Foundation's forecast financial statements, which are compatible with those independence requirements. Other than the audit and this engagement, we have no relationship with or interests in the Foundation.

Brent Kennerley
